

Elena Simón, new director of the Ercros factory in Sabiñánigo

Elena Simón Gaudo has assumed the role of director at the Sabiñánigo factory, effective February 29, succeeding Luis Gállego Franco, who is retiring after 42 years of dedicated service to the company. We express our gratitude to Mr. Gállego Franco for his exemplary professional contributions.

Elena Simón Gaudo, a Chemical Engineer from the University of Zaragoza and a member of the inaugural class of this degree at the university, has dedicated her entire professional journey to the Sabiñánigo factory. She joined the facility in late 1999, initially serving as an R&D technician. In 2014, she advanced to the role of head of the R&D department. In January 2023, she assumed the position of production manager, a role she held until her recent appointment as director.
